

## Adjectives Worksheet | Adjectives in sentences

An **adjective** describes a person, place, or thing. It gives more details about how something looks, feels, sounds, or behaves. For example, in the sentence "The purple owl is flying home," "purple" is the adjective.

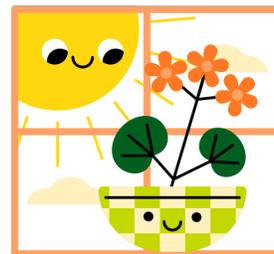

**Instructions:** Read each sentence below and circle the adjective.

1. The heavy rain soaked my clothes.
2. Her sweet perfume filled the room.
3. The smooth sand felt good beneath my feet.

4. The colorful flowers bloomed in the garden.
5. The bright light shined through the window.

6. The small puppy followed me around.
7. The loud noise woke me up early.
8. The tall building stood in the middle of the city.
9. The quick rabbit hopped away before I could catch it.
10. The soft music played in the background.
