

Reading Comprehension Worksheet | Making predictions

Making a **prediction** means guessing what will happen. The title of a book can help you guess what the book is about.

Instructions: Listen to (or read) the title of each book. Then, circle the picture that you might see inside the book. A parent or teacher can help the students read each title, then guide them in finding the correct answers.

$$5+7=?$$

What do you think you might you see inside this book?
