

Adjectives Worksheet | Adjectives after nouns

Remember, an **adjective** describes a person, place, or thing. It gives more details about how something looks, feels, sounds, or behaves. Sometimes, adjectives go after the noun. For example, the boy is **funny**.

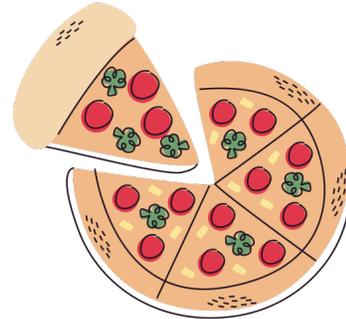

Instructions: In each sentence below, circle the adjective and underline the noun it describes.

1. The soup is hot.
2. That movie was funny.
3. His shoes are dirty.

4. The sky looks blue.
5. The baby is cute.
6. The pizza smells delicious.

7. Her dress is sparkly.
8. The floor feels cold.
9. The flowers are beautiful.
10. The room seems quiet.
