

Sentences Worksheet | Writing full sentences

A **sentence** contains a subject (someone or something) and a predicate (what the subject is being or doing). A sentence starts with a capital letter, and ends with punctuation (period, question mark, or exclamation point).

Instructions: Create five new sentences by combining 2 nouns and a verb, plus any other words you want to use.

Nouns	Verbs	Nouns
girl	drank	house
Maya	ran	puppy
doctor	gave	cake
man	danced	mess
dog	painted	shoe
friend	said	book
student	pulled	road
baby	ate	toy
Aidan	made	room

The **dog** ate my birthday **cake**.

1. _____
2. _____
3. _____
4. _____
5. _____
