

# Sentences Worksheet | Writing full sentences

A **sentence** contains a subject (someone or something) and a predicate (what the subject is being or doing). A sentence starts with a capital letter, and ends with punctuation (period, question mark, or exclamation point).

**Instructions:** Create five new sentences by combining 2 nouns and a verb, plus any other words you want to use.

Nouns	Verbs	Nouns
boy	is	picture
cat	are	joke
lion	laughed	monster
plant	ate	candle
kids	cleaned	carpet
home	walked	pizza
soccer	sang	chair
dad	watered	trees
