

# Multiplication Worksheet | Multiplication tables of 2 (missing factor)

Instructions: Fill in the missing number in each equation below.

1)  $5 \times \underline{\quad} = 10$

2)  $\underline{\quad} \times 2 = 14$

3)  $\underline{\quad} \times 2 = 20$

4)  $7 \times \underline{\quad} = 14$

5)  $4 \times \underline{\quad} = 8$

6)  $\underline{\quad} \times 2 = 2$

7)  $\underline{\quad} \times 2 = 12$

8)  $1 \times \underline{\quad} = 2$

9)  $6 \times \underline{\quad} = 12$

10)  $\underline{\quad} \times 2 = 8$

11)  $\underline{\quad} \times 2 = 16$

12)  $2 \times \underline{\quad} = 4$

13)  $9 \times \underline{\quad} = 18$

14)  $10 \times \underline{\quad} = 20$

15)  $\underline{\quad} \times 2 = 6$

16)  $\underline{\quad} \times 2 = 18$

17)  $8 \times \underline{\quad} = 16$

18)  $5 \times \underline{\quad} = 10$

19)  $3 \times \underline{\quad} = 6$

20)  $\underline{\quad} \times 2 = 4$
