

Reading Comprehension Worksheet | Fact vs fiction

Remember, if something is true, or it actually happened, it is a **fact**.
If something is not true, or if it's made up, it is **fiction**.

Instructions: A parent or teacher should help the students read the below sentences, then guide them in finding the correct answers. Circle the word **fact** if the sentence is real or true. Circle the word **fiction** if it isn't true, or if it's make believe.

A squirrel collected acorns for the winter.

Fact

Fiction
