

# Counting Worksheet | Counting questions (oranges)

Instructions: Answer each question based on the picture below.

How many oranges are in the tree?

\_\_\_\_\_

Four oranges fell off the tree (cross out 4 oranges). How many oranges are left?

\_\_\_\_\_

The tree grew 3 more oranges (draw them). How many oranges are there now?

\_\_\_\_\_

If Michael picks 5 oranges, and the tree grows 5 more, how many oranges will be left on the tree?

\_\_\_\_\_
