

Subtraction Worksheet | Subtract using pictures

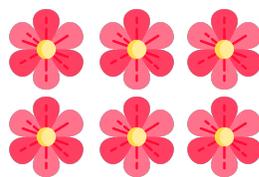

Instructions: In each row, count the number of objects. Then, write the numbers and find the difference.

 -  = $\underline{\quad} - \underline{\quad} = \underline{\quad}$

 -  = $\underline{\quad} - \underline{\quad} = \underline{\quad}$

 -  = $\underline{\quad} - \underline{\quad} = \underline{\quad}$

 -  = $\underline{\quad} - \underline{\quad} = \underline{\quad}$

 -  = $\underline{\quad} - \underline{\quad} = \underline{\quad}$
