

Subtraction Worksheet | Subtract and draw (without numbers)

Instructions: A few objects are taken away. Draw the ones that are left.

$10 \text{ balloons} - 5 \text{ balloons} = \square$

$7 \text{ basketballs} - 4 \text{ basketballs} = \square$

$10 \text{ hearts} - 8 \text{ hearts} = \square$

$6 \text{ apples} - 4 \text{ apples} = \square$
