

## Nouns worksheet | Abstract nouns

**Abstract nouns** are things we feel or think about, such as ideas, emotions, qualities, events, or conditions - for example, *happiness* or *love*.

**Instructions:** Circle the abstract noun (or nouns) in each of the following sentences.

1. Anna's honesty made her a trusted friend.

2. We should all appreciate the beauty of nature.

3. The smell of cookies brought happiness to the kitchen.

4. It's important to have confidence when speaking in public.

5. Do you think hard work leads to success?

6. The group worked together with great cooperation.

7. How do you show respect to your friends?

8. Tim's love for animals is shown in the way he cares for his dog.
