

## Nouns worksheet | Abstract nouns

**Abstract nouns** are things we feel or think about, such as ideas, emotions, qualities, events, or conditions - for example, *happiness* or *love*.

**Instructions:** Circle the abstract noun (or nouns) in each of the following sentences.

1. The storm caused a lot of noise outside.

2. My grandmother's wisdom helps guide me through tough decisions.

3. They felt a sense of relief when the test was over.

4. Jason has a lot of pride in his artwork.

5. Lily's generosity is known by everyone in her class.

6. We need to talk about the importance of being honest.

7. Jake's determination helped him win the race.

8. What do you think about the power of teamwork?
