

Nouns worksheet | Abstract nouns

Abstract nouns are things we feel or think about, such as ideas, emotions, qualities, events, or conditions - for example, *happiness* or *love*.

Instructions: Circle the abstract noun (or nouns) in each of the following sentences.

1. Sarah's patience helped her finish the long race."

2. Do you believe in the power of kindness?

3. Jake's curiosity led him to explore the garden.

4. The excitement in the room was contagious when the bell rang.

5. Can you see the importance of sharing with others?

6. Maria showed courage when she stood up for her friend.

7. The teacher explained the purpose of the class assignment.

8. Did you feel the joy when you got your report card?
