

Parts of Speech Worksheet | Identifying prepositions

A **preposition** is a word that tells us where or when something is. It comes before a noun or pronoun and connects it to the rest of the sentence. Common prepositions include words like: in, on, after, before, inside and outside.

Instructions: Circle the preposition in each sentence below.

1. The cat slept under the bed.
2. She walked across the street.
3. They arrived after dinner.
4. The birds flew over the trees.
5. We sat by the fireplace.
6. He traveled through the tunnel.
7. She placed the book on the shelf.
8. We stayed at the hotel.
9. The kids ran around the playground.
10. He hid behind the door.
11. The letter came in the mail.
12. She went into the store.
