

Parts of Speech Worksheet | Prepositional phrase: adjective or adverb

Prepositional phrases provide additional details. They can act like an *adjective* and describe a noun, or act like an *adverb* and describe how, when, or where something takes place.

Instructions: Underline the prepositional phrase. Then, write whether it is being used as an adjective or an adverb.

adjective

1. The flowers in the garden are blooming.

_____ 2. She placed the keys on the counter.

_____ 3. We arrived after sunset.

_____ 4. The house near the beach is beautiful.

_____ 5. The puppy under the table chewed on a toy.

_____ 6. He completed the assignment with great care.

_____ 7. The restaurant across the street serves delicious food.

_____ 8. The book on the shelf belongs to my sister.

_____ 9. They will meet at noon.

_____ 10. She walked through the park.
