

Parts of Speech Worksheet | Identifying prepositions

A **preposition** is a word that tells us where or when something is. It comes before a noun or pronoun and connects it to the rest of the sentence. Common prepositions include words like: in, on, after, before, inside and outside.

Instructions: Circle the preposition in each sentence below.

1. The car is parked beside the house.
2. He jumped onto the platform.
3. The kids waited outside the classroom.
4. She drove past the school.
5. The lamp is on the table.
6. He threw the ball over the fence.
7. They sat near the window.
8. She walked towards the station.
9. The cookies are inside the jar.
10. We ran along the beach.
11. The fish swam under the bridge.
12. He stood between his friends.
